ANNUAL TUITION FEE:

Grades K-5: \$8,955

Grades 6-8: \$9,120

TUITION:

Tuition is due and payable for the school year beginning August 4, 2022, and May 19, 2023. All families are required to set up an account with FACTS Tuition Management unless all fees are paid in full. Facts charges an annual one-time \$45 enrollment fee, paid directly to them once your agreement is finalized. Payments are made by Electronic Funds Transfer (EFT) monthly in advance on either the 5th or 20th. Parents have the option of choosing a 10 or 12-month plan at the time of enrollment. Tuition can be paid over ten (10) monthly payments (July 2022 – April 2023) or over twelve (12) monthly payments (July 2022- June 2023) or the first month the child enrolls. If a twelve (12) month payment plan is chosen, there is an annual one-time \$50 enrollment fee paid directly to WOLCS the first month the child enrolls. The school does not accept credit cards, cash, money orders, or cashier's checks for tuition unless otherwise stated. Tuition is calculated on the basis of the entire school year; therefore, NO deductions are made for school vacations, school holidays, or student absences during the school year.

NSF/LATE FEES:

If any check, EFT, and/or online payment to WOLCS for any reason is returned for non-sufficient funds, you agree to pay WOLCS a \$30.00 NSF fee and a \$25.00 late fee. If you incur more than two NSF's on tuition during the school year, you will incur a \$50 late payment fee for each occurrence (in addition to the NSF Fee), which must be paid in full. Parents will be notified by email or phone within 5 days of a failed EFT. Payment must be made in-house by cashier's check for all past due tuition, NSF fees, and late fees. Should the tuition payment return NSF two times, the final method of payment will be credit card only and you will incur a 4.00% processing fee as well as all other applicable fees. All tuition and fees must be paid by the 28th of the month in order for the child to attend the 1st day of the following month. Failure to pay all past due fees could result in a minimum 24-hour delay before a child can attend school.
